

Mastering the Art of Instrument Navigation: Oh Say, Can You See??!!

The IMC Club is all about mastering the art of instrument flying. At each meeting we consider one or more specific scenarios that takes us to decision points. Then, in a structured manner, we discuss alternatives and personal experiences. At this meeting we will consider options when the weather really gets bad; AND, terminal distractions; AND, a quick Wings tutorial.

Directions: Aero-One Aviation is the first facility NW of the DHN Passenger Terminal
